Publishing Policy Worksheet for Authors

CORRESPONDING AUTHOR: Prof. Majid Ezzati

MS NUMBER: NMED-L98528B

MS TYPE: Letter

Instructions:

- Review each point
- Initial for completion
- If required, ensure that there is an appropriate statement in the body of your paper
- Upload the completed and signed worksheet along with other required documents as separate files with your final submission. Please note that certain forms may require a physical signature. Submitting a digitally signed form may delay acceptance.

Please note that failure to provide the requested documents and information will delay acceptance and publication of your paper. For additional guidance, please contact our editorial assistant at medicine@us.nature.com

PERMISSION TO PUBLISH	Author Confirmation
<p>Before we can move ahead with acceptance and publication of your paper we must receive formal written permission use, edit, publish and distribute your work.</p> <p>Please note that you will retain copyright your paper, but that you are granting Nature Research certain rights and permissions for the full term of copyright and any extension thereto, as outlined in the License to Publish form.</p> <p>Please complete, sign, and return the form linked below. Our legal department demands that we no longer accept "e-signatures" on any legal document, so please return the form with a handwritten signature, or an embedded image of a handwritten signature. All legal forms must be signed by the corresponding author.</p> <p>All contributing authors must be listed on the License to Publish. If you cannot fit the names in the provided field, please instead write "see attached page" and include a second page with the full author list.</p> <p>http://www.nature.com/licenceforms/sna/sna-ltp.docx</p>	<p>Author Initial <u>ME</u></p>
<p>COLOR CHARGE AGREEMENT</p> <p>We are committed to providing authors with the highest quality figures. In order to cover part of the additional cost of four-color reproduction, we charge authors a fee of €350/ £307/ \$395 per figure for each additional color figure. There are no additional submission fees or page charges.</p> <p>Please complete and sign this form so that we can process your payment your figures.</p>	<p>Author Initial <u>ME</u></p>
<p>COMPETING INTEREST STATEMENTS (CI)</p>	<p>Author Confirmation</p>

<p>Nature Research defines Competing Interest (CI) as financial and non-financial interests (including but not limited to funding, employment, stocks, shares, patents, personal or professional relationships with individuals or institutions, and unpaid membership advocacy) that could be perceived to directly undermine the objectivity, integrity, and value of a publication, or could be seen as having an influence on the judgments and actions of authors with regard to objective data presentation, analysis, and interpretation.</p> <p>Please thoroughly review our policy on Competing Interests and include a detailed statement in your final manuscript file, and in our manuscript tracking system. Please ensure the statements are identical in both. Be specific about how each point stated relates to the research and list applicable author initials, and/or patent numbers.</p> <p>If there are no competing interests, a negative statement must be included.</p>	<p>Author Initial <u>M.E.</u></p>
<p>DATA AVAILABILITY</p> <p>A data availability statement must be included as a separate section after Methods but before references, under the heading "Data Availability".</p> <p>This section should inform readers about the availability of the data used to support the conclusions of your study. This information includes accession codes to public repositories (data banks for protein, DNA or RNA sequences, microarray, proteomics data etc...), references to source data published alongside the paper, unique identifiers such as URLs to data repository entries, or data set DOIs, and any other statement about data availability.</p> <p>At a minimum, you should include the following statement: "The data that support the findings of this study are available from the corresponding author upon request", mentioning any restrictions on availability. If DOIs are provided, we also strongly encourage including these in the Reference list (authors, title, publisher (repository name), identifier, year). For more guidance on how to write this section please see our policy, here.</p>	<p>Author Confirmation</p> <p>Author Initial <u>M.E.</u></p>
<p>REPORTING SUMMARY</p> <p>Please ensure that you have completed the Life Sciences Reporting Summary as completely and in as much detail as possible. Please return an updated version of the summary with your final.</p> <p>More information on Nature Research's initiative to improve our transparency standards and increase reproducibility of published results, can be found here.</p>	<p>Author Confirmation</p> <p>Author Initial <u>M.E.</u></p>
<p>AUTHOR LIST CONFIRMATION</p> <p>Please review your complete author list to verify that it is complete and accurate and initial below. We ask that you consult with your coauthors to ensure that all names, affiliations, and titles are represented correctly. Please note that if any authors are added or removed after this point then all authors will be requested to provide approval documentation that could potentially delay the production of your paper.</p> <p>Author list: Robbie M Parks, James E Bennett, Helen Tamura-Wicks, Vasilis Kontis, Ralf Toumi, Goodarz Danaei, Majid Ezzati</p>	<p>Author Confirmation</p> <p>I hereby certify that I have verified the author listed as presented in this paper.</p> <p>Author Initial <u>M.E.</u></p>

FUNDING SUPPORT CONFIRMATION	Author Confirmation
If any listed authors received grants or funding then that information must be provided. Please list each grant number, followed by the initials of the author who received it, in the Acknowledgements section of your paper.	I hereby certify that I have listed all applicable funding sources in accordance with NRG's funding mandates. Author Initial <u>M.E.</u>
THIRD-PARTY RIGHTS AND REUSE PERMISSIONS	Author Confirmation
It is your responsibility to obtain the right to use any items (figures, tables, images, videos or text boxes) that are reproduced (or adapted) from material for which you do not hold copyright and to give proper attribution to the creators of that work. This includes work that has previously been published elsewhere. If you do not hold the copyright for any item (in whole or part), included in your paper, you must complete and return a Third Party Rights Table BH For more information on what constitutes ownership by a third party, please contact our Editorial Assistant at medicine@us.nature.com	Author Initial <u>M.E.</u>
